DETAILED ACTION

1. Claims 1-3, 5-8, 16-22, and 24-39 are allowed.
2. The following is an examiner's statement of reasons for allowance: the application is allowable for the reasons set forth on page 6 of the Board of Appeal, which is hereby incorporated by reference. As noted therein, and as argued on page 10 of Appellant's brief, the claimed invention requires an accounting unit as data structure including one entry indicating a quality of service and another entry indicating mobility management whereas the closest prior art teaches the ingredients but lack of the data structure disclosed by the appellant's invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
